SCHOOLS DISTRICT SUPERVISORS
SCHOOL HEADS
ALL OTHERS CONCERNED

FROM : ATTY. REVSEE A. ESCOBEDO
Under Secretary for Operations

SUBJECT : REQUEST FOR PARTICIPANTS AND INVITATION FOR THE
SECOND CHILD PROTECTION E-LEARNING COURSE FOR
EDUCATORS

DATE : May 7, 2024

In line with the successful launch of the first child protection e-learning course for educators conducted last year, with six thousand eight hundred eighty-six (586) course completers, six thousand six hundred six (6,606) of which are licensed teachers.

This Office, through the Learning, Higher and Protection Office (LHP) in partnership with the Stairway Foundation (SFW) will launch the second batch of the Child Protection e-learning Course, which is fully asynchronous and is designed for educators to develop a deeper understanding of the ever-evolving child protection concerns, online and offline. The course aims to empower educators with tools and education materials that may be used for advocating learning rights.

The e-learning Course is accredited by the Professional Regulations Commission and is open for teaching and non-teaching personnel. It is free of charge, and licensed teachers who have completed the course will gain a corresponding (10) Continuing Professional Development (CPD) points.

Relatedly, with the clamor of different regions for additional slots, the course will be opened to ten thousand (10,000) participants nationwide. Enclosed is a copy of the instruction brief which may also be accessed at this link:

We look forward to training more teaching and non-teaching personnel to further strengthen our advocacy of protecting our learners and capacitating support personnel, especially our educators. Enrollment for the upcoming course will commence on May 13 and will continue until June 30, 2024.

For immediate dissemination

Thank you very much.

Child Protection E-learning Course for Educators

What is the course about?

The course is specifically designed for educators in order for them to develop a deeper understanding of the various child protection concerns that their learners might face both offline and online. Crafted by the DepEd Learner Rights and Protection Office and Stairway Foundation, the course aims to empower educators to have the knowledge and tools to participate more in the protection of the learners they work with. The course is offered free for DepEd Personnel, with corresponding 10 CPD points for Licensed Professional Teachers.

How is the course delivered?

The course is **fully asynchronous and self-paced** and thus, you can take the lessons at any time depending in your availability. The course contains short videos lessons, interactive content and resource links.

Objectives of the Course

At the end of the course, participants are expected to:

1. Identify the various offline and online child protection concerns that learners might encounter.
2. Identify the various means these child protection concerns might be perpetrated.
3. Get to know the various key messages that can be integrated for child protection education
4. Distinguish what DepEd policy and protocol should be applied for specific child protection concerns
5. Be introduced to the various initiatives of DepEd in relation to child protection

Self Enrollment Guidelines

There are 7 steps before one can fully participate in the course. The first one is the creation of a user account in the e-learning platform. Here you will register as a user to our learning management system and create your own profile. Make sure that you carefully input your name in your profile, as this will also be the name that our Learning Management system will use in your certificate of completion. Please follow the steps below:

User Account Creation: There are 2 options for creating a new account:

Account Creation Option 1: Recommended (for those with Gmail accounts)

- a. Please follow this link: <https://www.the-firstfoundation.org/learning-management-system/>
- b. Ensuring that you have a working and accessible Gmail account, click on the "Log in with your account on: Click Google"

- c. You will be redirected to the Google account page; choose the Google account you want your e-learning account to be associated with
- d. Every time you will login to this e-learning platform, just repeat this option, which you can also login via the home page by clicking on "Click to login here"

Account Creation Option 2: (for Gmail and non-Gmail account holders)

Follow these steps if option 1 doesn't work for you. If option 1 works, then you do not need to follow these steps. You may proceed directly to the course enrollment area.

- a. Login to your Stateway Learning account or if you do not have one yet, create an account on this platform via the link: <https://www.statewaylearning.com>
- b. In creating a user account, please ensure that you shall use a valid and accessible email address, double checking for any spelling errors.
- c. After successfully entering all the required details, an account creation email shall be sent to your email. Please click on this to confirm the details. If the account confirmation email can't be found in your inbox, check your spam folder.

After creating your user account in the Stateway Learning platform, the next step is to enroll yourself in the actual course itself. Please follow the steps below.

2. **Course Enrollment:** After successfully creating your e-learning account, please follow the instructions below to enroll in the course.
 - a. After logging in or creating your user account (making sure you are logged into your account back to this course)
 - b. Enter the enrollment key **LRPOCHILDPRO** via the self-enrollment section which can be found at the bottom of the self-enrollment page.
 - c. You are now enrolled! The course will be available in your e-learning dashboard
 - d. Course enrollment is from **May 13 to June 30, 2024**
 - e. Course duration shall be from **May 13 to June 30, 2024**
